**Looks like....**

eg. Last year we used balloons at the school fete. This year I want to help the turtles so we will use handmade reusable fabric bunting instead.

**Feels like....**

eg. I feel so inspired to raise money for the wildlife habitat area at our local scout hall by collecting bottles from the school fete.

**Sounds like....**

eg. I want to create a new school house chant to inspire everyone to reduce, recycle and rethink what they do with their waste at our sports carnival.
