

MAZE THROUGH THE PLAYGROUND

Eliza, Hayley and Beth have successfully applied for a Junior Landcare grant to build a food garden in their school. They are keen to find the best place for their proposed food garden. While the kids were looking for the perfect sunny spot in the school grounds they got separated!

INSTRUCTIONS

Help Eliza and Beth through the maze in the playground to find Hayley.

1. Along the way, what else do they discover?

2. How many apples are in the maze?

3. Spot the taps! How many can you find?
