

## PLAN A JUNIOR LANDCARE FRIENDLY PARTY

Amir is missing his friends and would like to hold a party when he goes back to school. Amir is environmentally conscious, he is determined to keep waste to a minimum and recycle and reuse party decorations and food scraps.

### INSTRUCTIONS

Connect with your friends and family and ask them about their ideas for a Junior Landcare friendly event.

Ideas for events could be a classroom party, a family gathering, a community picnic or even your own birthday party.

Call friends and family on the phone. Connecting over the phone means that you can ask and answer questions about your party.

Talking to your loved ones about your future party is a great way to build excitement!

List the people you plan to call:
