

# Weed warrior mission

Your mission is to visit three different outdoor areas and answer the questions below. Locations could include a garden bed, play area, pathway, lawn area or local park.

## AREA 1:

Can you see weeds?  YES  NO

How many different types of weeds can you see? \_\_\_\_\_

Choose the most common weed you can see, observe its plant parts and complete the information below.

<p>Name your weed: _____ Draw your weed:</p>	<p>Tell us about the features of this weed and the threats it poses to the environment.</p>
--	---

I think there are weeds in Area 1 because: \_\_\_\_\_

## AREA 2:

Can you see weeds?  YES  NO

How many different types of weeds can you see? \_\_\_\_\_

Choose the most common weed you can see, observe its plant parts and complete the information below.

<p>Name your weed: _____ Draw your weed:</p>	<p>Tell us about the features of this weed and the threats it poses to the environment.</p>
--	---

I think there are weeds in Area 2 because: \_\_\_\_\_
